Bariatric Surgery Program

The right care at the right time, every time.

DaVita Medical Group Bariatrics is proud to offer three bariatric surgery options: Adjustable Gastric Banding, Vertical Sleeve Gastrectomy, and Laparoscopic Gastric Bypass.

Our local program, led by a fellowship-trained Bariatric surgeon, offers superior service and results. Additionally, we are available 24/7. We are here to serve our patients when they need it most.

Visit DaVitaBariatricsNM.com or call 262-7281 for more information.

UPCOMING SEMINARS: If you or someone you know is interested in our bariatric services, email Bariatrics@DaVita.com or call 262-7281. *Seating is limited, so reserve your spot today!*
